RESOLUTIONS.—To the Worshipful Master, Wardens and Brethren of Bath Lodge, No. 55, F. & A. M.: Your committee to whom was referred the matter of drafting suitable resolutions of respect to the memory of Brother Fred Slesser, who died suddenly October 9, 1908, beg to make the following report:

That whereas the messenger of death has again alarmed our outer door and called from this life here on earth Bro. Fred Slesser, and we hope to a higher and a better one above, the members of this lodge lose a faithful, consistent and honored friend and brother, and individually and collectively are deeply grieved at his untimely death. Brother Slesser became a member of Bath Lodge March, 1903, and was ever a faithful one, prompt in every obligation in true Masonic spirit.

Be it resolved that we extend to his family our heartfelt sympathy and commend them to Him who doeth all things well.

Be it further resolved that this lodge room be draped in mourning for thirty days, and that these resolutions be spread upon the records and printed in the local newspaper, a copy of which be sent to the family.

Fraternally,

SUPPOSED MAD DOG.—A dog believed to have rabies was killed on Main street here Thursday morning by Bob Catlett and Jim Maxey. The dog was a shepherd and unknown here. It took several shots to bring him down. It is believed the dog had engaged in a fight with other dogs on Slate Avenue earlier in the morning.

If people would see that their dogs have plenty of water during these dry spells it would prevent many a mad dog scare.

W. C. Jackson is building an addition to his livery stable.

A CARD FROM MISS METCALFE.

To the Voters of Bath County: I ask of you the privilege of serving you another term as Superintendent of county schools. My reasons for making this request are as follows:

1st. You have honored me by electing me to serve one term, and it is but just that an officer who makes a showing of loyalty to the interests of the people should be allowed to succeed himself. I have worked faithfully, loyally and untiringly for the people, the teachers and the pupil children of the county during this term, and for this reason I believe I am entitled to your consideration for a second term.

2d. This one term of office has given me an experience and a knowledge of the educational conditions in Bath county that have prepared me for better service. That experience will be worth something to Bath county during the next four years if I shall be re-elected.

3d. A much-needed awakening to the needs and requirements of better educational facilities for our schools is now sweeping over our country. As County Superintendent, I know these, and know what plans will bring about the best results as no other could know them. This is an important point, and I trust every citizen will consider it.

4th. The new law has entailed an extra amount of study and hard work on me. As County Superintendent I have had to meet all the requirements of the new law in working out the necessary changes and of guiding the work of the teacher through this troubled period. Since I have had the new law to deal with does it not follow that I shall be better able to work it out to the betterment of the schools than some one who has had no such experience?

5th. I ask that I be given the privilege of carrying out many plans necessarily made during this term. I feel and believe that I can make my work of double value to the people and the children of Bath county.

In consideration of all these things I do not think I am asking too much of the people I have loyally served, who have loyally supported me, when I ask them to re-elect me to the office which I now hold.

If you honor me by electing me to this office I pledge myself to the following:

1st. To see that the school laws are enforced to the letter of the law.

2d. To secure fairness and justice to every school district.

3d. To serve the citizens of my county conscientiously and impartially.

4th. To devote my whole time to the upbuilding of the educational interests of this county.

Yours respectfully,
PICKETT METCALFE.

WITHDRAWS FROM RACE.—To the Democrats of the 21st District: Five years ago, after a hard fight and considerable expense, I was elected Commonwealth's Attorney for this district.

I have endeavored to discharge my duty without fear or favor and have faithfully served the people by enforcing the law, and I had hoped to be accorded the usual endorsement by the party for a second term without opposition.

It seems that the Honorable Judge of the Court is to be accorded that favor (and I say amen to it), but I have had to make another contest, in which everything has been done in favor of my opponent, the TIME and MANNER of nominating a candidate being against my chances of a nomination on account of three elections coming within one week in my own county, and also in Menifee, where I am strongest.

I am convinced that a majority of the GOOD people of the district are on my side, but they do not always control the elections in some of the counties of this district, and as my opponent is backed by the influence of the saloon, to which I am opposed, and by the gamblers whom I have prosecuted, also by many other violators of the law who have been prosecuted and convicted, it is reasonable to believe that this element predominate.

My opponent has money and no one to spend it on but himself. I am a poor man and having a large family dependent upon me and to fight the saloon and those standing with them would require the expenditure of a large sum of money. I haven't the money to spend, and if I could get it or had it I would not buy votes nor debauch voters with

whisky even to win.

My friends can see how much it would cost. It would take \$500 simply to enter the race and with everything to show that an unlimited amount of whisky and money would be used against me I do not think a fair expression of the whole can be had.

Therefore I have concluded to withdraw from such a contest and I now withdraw from a fight against whisky, saloons, gamblers and law-breakers, and leave the standard bearer of this class to enforce your laws hereafter against such.

To my friends of the four counties who have so loyally stood by me and who have appreciated the work I have done for them I render now my heartfelt thanks and gratitude. I promise them that during the next year which I have to work I shall as faithfully prosecute as I have done in the past, and I shall see that every violator of the law is prosecuted without regard to position or influence.

Once more thanking my friends throughout the district and regretting that your future prosecuting attorney is such a friend of those who need prosecution, I am, respectfully,

ALEX CONNER.

MRS. EMILY YOUNG'S DEATH.

—Mrs. Emily Young died about ten o'clock Saturday night at her home, west of town, after an illness of some weeks due as much to infirmities of old age probably as to specific disease. All of her children, including Mrs. Thomas P. Ficklin and Sinner Young, of Missouri, were with her in her last days.

Funeral services were held at the residence at 10 o'clock a. m. Monday by Elder R. M. Campbell, and the burial was made about 11:45 in the Owingsville Cemetery in the presence of numerous relatives and friends from various parts of the county.

Mrs. Emily Young was born Nov. 11, 1827, being a daughter of George and Polly Duty Thompson, of Sharpsburg, where Mrs. Young was reared. She was married when a young woman to Lewis Young, who died in November, 1901. They reared a family of seven children, all surviving except George T., who died in January, 1906. The survivors are Alice, wife of John W. Dawson, of this town; Mary, wife of Thomas Ficklin and Sinner, of Missouri; Miss Nannie and Lewis, at home; and Lee, of Montgomery county. Mr. and Mrs. Young lived all of their married life in the Flat Creek neighborhood except a few years' residence in this town, during part of which they conducted the Owings House.

Mrs. Young was a lady of unusual strength of mind and character and was very capable in business. She was a devoted member of the Christian Church. Her death is mourned by relatives and friends throughout this and adjoining counties. The family have much sympathy in their loss.

Mrs. Ann Evans, wife of Alvin

Evans, of near Sharpsburg, is the only surviving sister out of six of her father's family, the dead being Richard L. Thompson; Nannie, wife of Charles Duty; Margaret, who first married Mr. Boyd and next Mr. Johnson; Mary, wife of Richard Ratliff.

MRS. U. A. GORRELL'S DEATH.

—Mrs. Ureth Ann Gorrell died of cancer of the stomach at her home in Mt. Sterling on Thursday, Oct. 22, and was buried at the Bethel Cemetery Saturday afternoon.

Deceased was aged about 66 years and was a daughter of Theophilus Hendrix, being the youngest of thirteen children and the last survivor except her brother Harvey Hendrix, of Platte county, Mo. She was born and reared in the East Fork neighborhood, this county. She married Thomas Gorrell, who died at their home near Springfield Church about ten years ago.

Mrs. Gorrell removed to this town about seven years ago and ran a grocery and restaurant and later a private boardinghouse. She removed to Mt. Sterling the past year and engaged in the same business.

She and her husband were most worthy people and reared a numerous family of children, several of whom are dead, the survivors being Mary, wife of Wilson Jones, of near Sharpsburg; Zula, wife of Clarence Gaumer, of Indianapolis, Ind.; Annie, wife of Sell Kerns, of Nicholas county; and Ed, living on the old home farm at Springfield.

Mrs. Gorrell was a kind, gentle, motherly woman and was highly esteemed. She had numerous friends and a wide relationship, all of whom mourn her decease.
